Loan Forgiveness
Program

You Stay, We'll Pay

With New York's Get on Your Feet Loan Forgiveness Program,
if you invest in New York's future, we'll invest in yours.

Eligible graduates from a university or college in New York State who continue to live and work in the state will pay nothing on their student loans for the first two years.

New York State wants you to invest your talents right here. See if you're eligible to have New York State cover your first two years of loan payments while you get settled in life as a young college graduate in New York State.

Who is Eligible?

Eligibility requirements include:*

- Residing in New York State (NYS) for 12 continuous months;
- Graduating from a NYS high school or having received a NYS high school equivalency diploma;
- Having earned an undergraduate degree from a college or university located in NYS in or after the 2014-15 academic year;
- Being enrolled in the federal Income Based Repayment plan at 10% of discretionary income, the Pay as You Earn plan, or the Revised Pay as You Earn Plan;
- Having a primary work location in NYS, if employed;
